

3rd International Workshop on Machine Learning and Quantum Computing
Applications in Medicine and Physics

Contribution ID : 36

Type : **Invited Talk**

Machine learning in HEP

Tuesday, 8 September 2026 14:00 (40)

I will recall a basic idea behind Machine Learning, then I will bring random examples of ML applications in High Energy Physics.

Primary author(s) : KALINOWSKI, Artur (University of Warsaw)

Presenter(s) : KALINOWSKI, Artur (University of Warsaw)

Session Classification : Machine learning in high energy physics
