3rd International Workshop on Machine Learning and Quantum Computing Applications in Medicine and Physics

Tuesday 08 September 2026

Opening session (10:00-12:30)

time	[id] title	presenter
10:00	[34] Welcome address	Prof. POLLO, Agnieszka
10:15	[35] Welcome from the organizers	KRZEMIEN, Wojciech
10:25	[26] Machine learning vs. network science: A comparison of two paradigms for the interpretation of high-throughput data in biology and medicine	HÜTT, Marc
11:05	Coffee break	
11:25	[28] AI in Space: Ready for Prime Time?	Dr NALEPA, Jakub
12:05	[29] Quantum computing in the service of satellite data processing	GAWRON, Piotr

3rd International Workshop on Machine Learning and Quantum Computing Applications in Medicine and Physics /   Tuesday 08 September 2026
