

3rd International Workshop on Machine Learning and Quantum Computing Applications in Medicine and Physics

Tuesday 08 September 2026

Quantum Information and Machine Learning (13:40-14:50)

time	[id] title	presenter
13:40	[98] Quantum information theory at colliders	KOWALSKA, Kamila
14:20	[70] Simple quantum many-body dynamics reservoir for image classification	Dr SAKURAI, Akitada

Quantum Information and Machine Learning (15:10-16:20)

time	[id] title	presenter
15:10	[99] From Shannon to Schrödinger: Quantum Information, PET and AI	Prof. HIESMAYR, Beatrix
15:50	[69] Quantum Extreme Reservoir Computing for brain tumour MRI classification	EL BOUAZIZI, Chaimae
