

3rd International Workshop on Machine Learning and Quantum Computing Applications in Medicine and Physics

Friday 11 September 2026

Machine Learning and Quantum Computing Applications (09:00-10:10)

time	[id] title	presenter
09:00	[91] Utilizing Gaussian Boson Sampling for Hyperspectral Data Reduction	MIELCZAREK, Jakub
09:40	[76] Maximum likelihood using multidimensional hyperplane sections	Dr TOPOLNICKI, Kacper
